Message from Mrs. Flack, Ms. Needle and Mrs. Paterson

As the Summer term is in full swing, it is wonderful to reflect on the progress the children have made over the past months we have shared with them in Cherry class. It is a joy to see them develop their confidence, curiosity, independence and skills.

Last term our topic of Fantasy and Adventure enabled us to explore lots of different themes, including dinosaurs, princes and princesses, superheroes, pirates and knights. The dinosaur theme was very popular with the children and led to lots of interesting discussions, art work and making and erupting volcanoes!

This term our topic is Under the Sea and already the children are enjoying making jelly fish, exploring rockpools in the tuff trays and painting their favourite sea creatures. Our sand pit is now full with lovely new sand and we have new sand toys to discover.

Our raised bed of flowers and herbs continues to be a source of lots of discussions and learning, as the children water the plants, pull up unwanted weeds and discover ladybirds, butterflies, bees and woodlice. We also had great fun exploring the soil

and looked at the different sizes of worms!

We continue to ensure the children are are happy, secure and motivated to try new activities and resources. We include their ideas and interests into our planning for learning, together with the children's next steps.

As the warm weather continues, please can sun lotion be applied in the morning and sunhats be provided as we like to do lots of outdoor learning!

Here's to a very happy Summer term!

Looking at butterflies and their cocoons!

Fixing the house!

Digging for fossils!

Cutting, sticking, colouring, drawing, counting...

Singing songs and nursery rhymes and using percussion instruments – great fun!

Yoga poses – the children know lots of them now!

Playing in the mud kitchen.

Role play, going on a bus!

Puzzles are great to complete in a team.

We have had some very special visitors!

Weighing and mixing cup cake ingredients.
