Launton C of E School Newsletter

Message from Friends of Launton School

The health and safety of all our children, carers, staff and the community is of utmost importance to us, especially in view of the current public health considerations. With this in mind, we would like to inform you that the Easter egg hunt will be postponed to a later date.

If you have already purchased tickets, they will be honoured at the new date. If you find that you are unable to make the new date, please let us know so that we can offer you a refund.

Please note that we are also suspending the collection of donated food items and prizes.

We continue to value your support of PTA initiatives and will endeavour to keep you informed of any developments as soon as we can.

Please join our Facebook group.

Message from Rev'd Peter

Suspension of Community Café and Church Services

In line with Government advice, Community Café sessions have been suspended until further notice. The Church of England has also taken the decision to suspend Sunday and midweek public worship until Government advice changes. Worship and ministry will continue in other forms (e.g. with online streaming of some services) and you are invited to contact Revd. Peter for more information, or just to talk:

A weekly update to Parents, Grandparents and Carers

Message from Mrs. Paterson

In these uncertain and rather challenging times, it has been remarkable to see how well everyone has supported one another. Every element of our community has worked so hard to prioritise the welfare of the children and ensure that school remains a happy and safe place for them. We will continue to support children and families learning at home, by communicating with you through email and the website. As quickly as we are able to plan for the changes, I will advise you of new plans; we wait for information from the government at the time of writing.

We would all like to thank you for your unstinting support of the school and staff during these difficult times for all of us.

The [NHS coronavirus \(COVID-19\)](#) page includes a wide range of health-related information

With the school closure please can you make sure that you cancel any Breakfast and After School Care bookings that you have made in advance for the coming weeks.

And because newsletters should always be about children: the boys football team were fantastic ambassadors for our school in their match against Bure Park last Friday and beat them 3-1! They played in brand new kit, donated by a generous parent. Thank you.
