Launton C of E School Newsletter

A weekly update for children

Message from Mrs. Paterson

If you are missing Reverend Peter's lovely assemblies, here is a link to a virtual school called Oak Academy. Reverend Peter's boss is leading [assembly](#) and he talks about Nelson Mandela; one of our houses is named after Nelson Mandela.

Have you seen any more of the Oak Academy assemblies?

Here is some information about another assembly next week

On Friday 22nd May at 10.30am, we will be sharing our first ever school assembly for the Oxford Diocese. This will feature an address from the Right Reverend Steven Croft, Bishop of Oxford and readings and music from a number of our schools. I do hope that you will be able to join us for this special event and further details will be released within the next week so that you will know how to access the assembly.

Hello Team,

I have been inspired by your drawings and paintings and love to see what you have been doing. You have shared your work, so I am showing you some of mine. They are from quite a long time ago, but if I practise really hard, I might remember what I could do when I was practising every day. Practising is really important so please keep using Mathletics and Times Tables Rock Stars and reading.
