## Message from the PTA

---

The PTA has previously been able to successfully apply for charity grants which have been instrumental in providing equipment for our children. Should you come across any grants that may be appropriate, please do let us know ([secretary@friendsofLaunton.co.uk](mailto:secretary@friendsofLaunton.co.uk)) so that we can assess and apply for them.

We continue to value your support of PTA initiatives and will keep you informed of future meetings, activities and elections.

You will still be able to support our charity using the following links:

## Message from Mrs. Paterson

**Launton Online Classroom** login information will be sent home in reading diaries and homework folders this week for lots of the children. It uses the Microsoft Teams system and has been set up to meet stringent rules from the Department for Education. Once you have agreed to the [Code of Conduct](#), we will issue your child's login information to them and begin to show them how to use it. You can register your agreement to the Code of Conduct on Scopay.

'Parents evenings' this term will happen in a different way to usual. Conversations will be by telephone, but booking appointments for these will still be organised through the website and appointments will take place in the final two weeks of this half term. Booking is open now; please contact the office if you need any help to book your telephone call.

The donations made by our families to Bicester Food Bank at harvest time are always enormously appreciated and this year are likely to be even more needed. We will be celebrating harvest festival in class rather than church this autumn but we are keen to collect donations as usual. We have spoken to the organisers and the list of items needed most urgently is below (they have a pasta mountain in stock). Please would you send what you can spare on **Tuesday 20<sup>th</sup> October** and we will make sure that it reaches the Food Bank safely.

Photographs on Monday...

### 7<sup>th</sup> December - Flu Immunisation

Please be aware that we have children in school with serious food allergies. To ensure the safety of all of our children please avoid sending your child to school with anything that contains nuts.

#### 1. Catch it, bin it, kill it

We have labelled bins for any waste associated with personal hygiene, for example, paper towels on which children have dried their hands.

#### 2. In, out, wash your hands

Everyone washes their hands when they enter a room and before leaving a room.

#### 3. Our bubble

This is the group of children and adults in your class, with whom you learn, play and eat lunch; your bubble remains the same.

#### 4. My fresh air space

This is the area around you, extending as far as you can reach; other people avoid coming in to your fresh air space and you avoid going in to their fresh air space.

#### 5. Thumbs up

This is just one way of greeting someone without touching them.
