Message from the PTA

The PTA has previously been able to successfully apply for charity grants which have been instrumental in providing equipment for our children. Should you come across any grants that may be appropriate, please do let us know (secretary@friendsofLaunton.co.uk) so that we can assess and apply for them.

We continue to value your support of PTA initiatives and will keep you informed of future meetings, activities and elections.

Message from Mrs. Paterson

Thank you to parents and carers for working so hard to help children to access and engage with the Launton online classroom.

We are really pleased to hear how much the children are enjoy their daily meetings with their teacher online.

The teachers have been receiving pictures of some wonderful work that is being done by the children working at home. The children in school are using the online classroom too. We will continue to keep making the remote classroom as easy to use as possible.

We have been made aware by Network Rail that they will be closing the bridge into the village from 1st February until 1st April. Please see information below. We have noticed that the signs have now been put up in the village which state the closure will be from 8th February until 1st April.
