Launton C of E School Newsletter

Message from the PTA

The PTA has previously been able to successfully apply for charity grants which have been instrumental in providing equipment for our children. Should you come across any grants that may be appropriate, please do let us know (secretary@friendsofLaunton.co.uk) so that we can assess and apply for them.

We continue to value your support of PTA initiatives and will keep you informed of future meetings, activities and elections.

You will still be able to support our charity using the following links:

Message from Mrs. Paterson

We are really looking forward to the children being back in class in person next week. Arrangements will be very familiar to the children: just like the autumn term...

World Book Day 2021-Thursday 4th March

Ash class enjoyed talking about their favourite books during their live lesson on Thursday and it was fantastic to see the wide range of books children are enjoying at home. Rowan, Oak and Beech class took part in a 'name the story' quiz where they listened to extracts and looked at pictures from all the stories they had read since September. Chestnut and Rowan took part in the official World Book Day quiz.

We hope you are enjoying 'The Masked Reader' story; answers will follow tomorrow in the posts section of the Launton Online Classroom.

You will find a reminder about the measures in place to comply with the Department for Education guidance [here](#) and a letter from the Director of Education [here](#).

You can find details about lateral flow testing for households and bubbles of school pupils [here](#)

...and [here](#) you will find information about a community foodbank drive.

1. Catch it, bin it, kill it

We have labelled bins for any waste associated with personal hygiene, for example, paper towels on which children have dried their hands.

2. In, out, wash your hands

Everyone washes their hands when they enter a room and before leaving a room.

3. Our bubble

This is the group of children and adults, with whom you learn, play and eat lunch; your bubble remains the same.

4. My fresh air space

This is the area around you, extending as far as you can reach; other people avoid coming in to your fresh air space and you avoid going in to their fresh air space.

5. Thumbs up

This is just one way of greeting someone without touching them.

**Dates for your
diary**

Updates and Reminders

Please be aware the bridge into the village is closed until 1st April.

[Term dates 2020-2021](#)

[Tem Dates 2021 2022](#)

Please be aware that we have children in school with serious food allergies. To ensure the safety of all of our children please avoid sending your child to school with anything that contains nuts.

Please follow this [link](#) to some information from a local Beaver Group.
