Message from the PTA

The PTA would like to welcome you all back to school and hope you had a lovely summer break.

We'd like to extend a special welcome to the new parents and caregivers. We look forward to meeting you soon and hope you'll enjoy your "Tea & Tissues" from the PTA.

We will be in touch shortly with fundraising information.

Message from Mrs. Paterson

The school is already buzzing with the sounds of children deeply engaged in their learning and excited about their new themes for this term. Ash Class have been drawing self portraits and are delighted to explore the challenging equipment in Ash Class garden. Rowan Class have embarked on a class mural and Willow Class are designing their super-hero learning avatars. Children in key stage two have started to talk about life in Britain during the Stone Age and in the nursery, children have been painting, drawing and engaging in a multitude of exciting activities.

After School Clubs, greatly missed by children last year, will commence on the dates below. If you are collecting children from an After School Club, please use the gate into the front garden, as children will leave through the front door of the hall; the gate is on a timer and will open shortly before the club ends. For Afterschool Care, please continue to use the gate in the playground.

Please check that that all the smart new uniform is labelled, particularly as we are expecting some late summer sunshine next week, when all those identical sweatshirts will be removed by the children when they become too warm. Be aware that analogue and digital watches can be worn in school but smart watches cannot be worn by children in school due to data protection regulations.

Updates and Reminders

Please be aware that we have children in school with **serious** food allergies. To ensure the safety of all of our children please avoid sending your child to school with anything that contains nuts this includes sandwiches containing peanut butter or chocolate spread.

Children must not bring suncream to school (or nursery): please apply it before school.

LFD tests are for people who are symptom free. They can identify people who have COVID but have no symptoms, and who could be passing it on to others without knowing.

If you have symptoms of COVID -19

If you, your child or anyone in the household has symptoms that could be COVID, no matter how mild, you need to get a PCR test.

Get a PCR test - www.gov.uk/get-coronavirus-test **Do not use an LFD home test.**
