Launton C of E School Newsletter

Message from the PTA

The PTA has previously been able to successfully apply for charity grants which have been instrumental in providing equipment for our children. Should you come across any grants that may be appropriate, please do let us know (secretary@friendsofLaunton.co.uk) so that we can assess and apply for them.

We continue to value your support of PTA initiatives and will keep you informed of future meetings, activities and elections.

You will still be able to support our charity using the following links:

Message from Mrs. Paterson

It is lovely to have our school full of children again. Children will have the opportunity to meet me to share some of the wonderful work they completed when learning at home.

Friday 19th March is Red Nose Day. Whilst we would usually encourage children to wear their red noses and other related merchandise to school on this day, due to the ongoing Covid-19 pandemic we do not want children to bring red noses and other merchandise to school this year as there is a risk that children's noses could become mixed up and worn by multiple children during the day. If you would like to contribute to the fundraising efforts of Comic Relief you can donate here <https://www.justgiving.com/rednoseday> or you could upload a picture of you wearing your red nose or other merchandise to the Launton Online Classroom (open your class notebook and then add to your class notes page) and teachers will share the photos with the class on 19.3.21.

The PTA have organised an Easter Hamper Raffle

There are several exciting prizes to be won, including an Easter Hamper full of sweet treats, activities and lots more. You can buy your tickets from Kate Greig every morning from Monday 15th March at drop off (by the playground gates) from 8.40am until 9am.

Tickets are £1 each. Winners will be drawn on Tuesday 30th March.

Good luck!

Dates for your diary

Updates and Reminders

Regular rapid testing is now available for parents, their households and bubbles. Further information can be found [here](#).

[Term dates 2020-2021](#)

[Tem Dates 2021 2022](#)

Please be aware the bridge into the village is closed until 1st April.

Please be aware that we have children in school with serious food allergies. To ensure the safety of all of our children please avoid sending your child to school with anything that contains nuts.

1. Catch it, bin it, kill it

We have labelled bins for any waste associated with personal hygiene, for example, paper towels on which children have dried their hands.

2. In, out, wash your hands

Everyone washes their hands when they enter a room and before leaving a room.

3. Our bubble

This is the group of children and adults, with whom you learn, play and eat lunch; your bubble remains the same.

4. My fresh air space

This is the area around you, extending as far as you can reach; other people avoid coming in to your fresh air space and you avoid going in to their fresh air space.

5. Thumbs up

This is just one way of greeting someone without touching them.
