Term Dates 2023/2024

Message from the PTA

To commemorate World Book Day and encourage everyone to enjoy reading, we will be holding a book sale directly after school in the front garden on **Thursday 2nd March 2023**. Please let us know if you have any children's books in good condition to donate for the book sale.

Save the Date

26th March 2023: Easter Egg Hunt- details to follow

30th March 2023: Pre-loved uniform sale at The Elms, Station Road, Launton

11th May 2023: Rags2Riches clothing collection.

Please do not hesitate to get in touch with us in person or by email (friends@launton-pta@googlegroups.com) should you have any questions, ideas, suggestions, to be added to our fundraising WA group or just for a chat.

Chair: Victoria Brandham
Vice Chair: Liz Moore
Secretary: Ruth West
Treasurers: Laura Pickering and Sarah Harrison

Our Year 6 pupils took part in the Junior Citizens Program at Rewley Fire Station in Oxford. "It was actually a working fire station and if they were called to an emergency during our visit we would have to get out of the way," advised Jake. "There were different rooms and we practised calling 999," reported Amelia. "You should never do it as a joke but we were practising and had special permission," advised Evie. "It was fun and taught us a lot, but we can't give you too many details as it will ruin it for the current Year 5s who might visit next year..."

Internet Safety Day Friday 10th February

Annually, in February, we aim to raise children's awareness of Internet Safety (in addition to their weekly Computing lessons) by taking part in activities that recognise the difficult challenges children can face when using the internet.

The internet is constantly changing and children are often more knowledgeable than adults when using the internet. Together we can empower children to become safe users of the internet and mobile devices. We will be discussing the SMART rules during the day. Please discuss them with your child at home as well.

World Book Day Thursday 2nd March

On Thursday 2nd March we will be celebrating World Book Day in school. To celebrate the books we love, we would like the children to make a finger puppet based on their favourite book and bring it to school on Thursday 2nd March. They may also bring their favourite book to school as they will have the opportunity to share it with another child from a different year group during the day.

Updates & Reminders

Safety

The playground gates are opened at 3.10pm to allow parents and carers to collect children more easily than from the car park. If you have a small child with you, **they must not climb on school equipment**. The trim trail looks superficially like climbing equipment found in some public play areas but it has been designed to be safely used under teacher supervision and by older pupils.

The Parish Hall car park and surrounding area present significant challenges. Please do not park on the corner, obscuring the view round the bend, as this is dangerous. The signs on the corner are not taking up a parking space: this is not a safe space to leave a vehicle.

COVID 19 Vaccinations

Please see link below to letter from Oxford Health NHS Foundation Trust regarding COVID 19 immunisation for children Reception to Year 7.

[COVID 19 Vaccinations](#)

National Guidance

There are lots of respiratory infections that cause sore throats, colds and coughs circulating this time of year.

Flu and coronavirus (COVID-19) are currently circulating at high levels and are likely to continue to increase in coming weeks. High numbers of scarlet fever, which is caused by group A streptococcus, also continue to be reported.

It's important to minimise the spread of infection in school as much as possible:

- If your child is unwell and has a fever, they should stay home from school or nursery until they feel better, and the fever has resolved.
- Teach children the importance of good hand hygiene, practice regular handwashing with soap and warm water.
- Catch coughs and sneezes in tissues then bin them is another simple way to help stop illness from spreading.
- Adults should also try to stay home when unwell and if they do have to go out, wear a face covering. When unwell don't visit healthcare settings or visit vulnerable people unless urgent.
- Remember that flu vaccination is still available for all eligible groups and is the best protection against the virus.

Please follow this link to the latest information from the UK Health Security Agency regarding when to keep a child off school - [UKHSA Update](#)

Remember: Please be aware that we have children in school with **serious food allergies**. To ensure the safety of all of our children please avoid sending your child to school with anything that contains nuts this includes sandwiches containing peanut butter or chocolate spread.
