

RCN

Welcome everyone to 2026, new year, new RCN. We all wish you a happy new year. So sorry, we may not be able to do a lot of running this month because it is really icy and we don't want you to slip or fall over. It might be able to restart mid-February

We asked a few people a question

Have you done any running over Christmas?

X5 → Robyn said = Yes, I ran with my dad around my village.

Mollie said = Yes, I ran on Christmas day and Christmas eve.

Rosie said = No, although I did ride my scooter

X2 → Grady said = No, I was too busy opening presents
