How to get the best
out of family life

What is the Nurturing Programme?

Children are rewarding, stimulating and fun, but looking after them can be stressful and challenging.

The Nurturing Programme helps deal with those challenges so that you can have a calmer, happier life.

A tried and tested programme, it helps us think about what we do, why we do it and how it makes us feel.

The Four Constructs of the Nurturing Programme

What does it cover?

Over the 10-week Programme, you will look at lots of different topics, including:

Understanding why children behave as they do

Recognising the feelings behind behaviour (ours and theirs)

Exploring different approaches to discipline

Finding ways to develop co-operation and self-discipline in children

Learning the importance of looking after ourselves

Practical information

Partners are welcome and it's also fine to come on your own or with a relative or friend

There are ten 2-hour sessions with a tea and coffee break

8-10 parents are invited and there are two trained group leaders

Some groups provide a creche; check with group leaders beforehand

You need to come to all ten sessions as they fit together like a puzzle
